🌐 Romm James Cuya 🔄 RommJames

PROFESSIONAL SUMMARY

Software Developer with hands-on experience in **ERP system development and backend engineering** using **Frappe Framework, Python, and JavaScript**. Proven ability to build and maintain scalable business applications, optimize system performance, and deliver solutions in **Agile Scrum environments**. Seeking to grow as a backend or full-stack developer while contributing to innovative, high-impact software systems.

PROFESSIONAL EXPERIENCE

Titus Global-Tech

Software Developer (work-from-home)

Jan, 2025 – Present

Angeles, Pampanga

- Developed and customized **ERP systems** using **Python** and **JavaScript**, implementing business logic, workflows, and feature enhancements.
- Built and maintained backend modules for a **web-based Terminal Operating System (TOS)** supporting cargo handling and port operations.
- Diagnosed and resolved system issues through **debugging, root cause analysis, and ticket-based support systems**.
- Optimized **database performance and system efficiency** through query improvements and backend enhancements.
- Configured and implemented **email integrations (SMTP/IMAP)** for automated notifications and communication workflows.
- Collaborated in an **Agile Scrum environment**, participating in sprint planning, backlog refinement, daily stand-ups, and sprint reviews.
- Contributed to **testing, debugging, and technical documentation** to ensure scalable and maintainable system architecture.

MFI Polytechnic Institute Inc.

Education Associate & IT Support

Jan, 2022 – Dec, 2024

Ortigas, Pasig City

- Delivered instruction in **programming, web development, and database systems** across multiple IT courses.
- Designed and facilitated hands-on training in **Java, PHP/MySQL, JavaScript, C/C++, and Oracle PL/SQL**.
- Coached students in **WorldSkills Philippines (Web Technology)**, contributing to multiple gold medal achievements.
- Managed IT laboratories, maintained systems, and provided **technical support** for students and faculty.

Domain Merchandising Services Inc.

IT Intern

Jan, 2020 – Mar, 2020

Ortigas, Pasig City

- Assisted with Ethernet cabling, internet setup, and storage organization and provided technical support.
- Gained hands-on experience with Ubuntu OS and Bash scripting.

- Created a website using WordPress.

TECHNICAL SKILLS

Web Development

HTML, CSS, JavaScript, Frappe Framework, ReactJS, Node.js, Express

Database

MySQL, MongoDB, Oracle

Methodologies

Agile, Scrum, Debugging, Software Testing

Programming Languages

Python, Java, PHP, C, C++, C#

Version Control

Git, GitHub

PROJECTS

ERP Systems Development & Customization

Titus Global-Tech

- Developed and maintained ERP modules for multiple clients, implementing business workflows, backend logic, and system enhancements using Frappe Framework.
- **Technologies:** Python, JavaScript, Frappe Framework, MySQL, SMTP/IMAP

Terminal Operating System (TOS)

Oroport Cargo Handling Services

- Contributed to the development of a web-based system for managing port and cargo operations, focusing on backend modules, workflow automation, and system logic.
- **Technologies:** Python, JavaScript, Frappe Framework, Agile Scrum

RJ Thinkboard

Full-Stack MERN Application

- A full-stack note-taking and idea management application with a decoupled architecture, featuring API rate limiting and responsive UI design.
- **Technologies:** React, Node.js, Express, MongoDB, Redis, Tailwind CSS
- **GitHub:** <https://github.com/RommJames/rj-thinkboard> 

PixelSketch

Web-Based Drawing Application

- An interactive pixel drawing tool with customizable grid, color controls, and image export functionality using canvas rendering.
- **Technologies:** HTML, CSS, JavaScript, html2canvas
- **Live Demo:** <https://rommjames.github.io/pixel-sketch/> 

Grocery Checkout Simulator

POS System UI

- A browser-based checkout system simulating a point-of-sale experience with real-time cart management, promotions logic, and receipt generation.
- **Technologies:** HTML, CSS, JavaScript (ES6 Modules), html2canvas
- **GitHub:** <https://github.com/RommJames/Grocery-Checkout-with-UI> 

VocalizeIt

Text-to-Speech Web App

- A lightweight browser-based application that converts text to speech using the Web Speech API with customizable voice, pitch, and speed.
- **Technologies:** HTML, CSS, JavaScript, Web Speech API
- **Live Demo:** <https://rommjames.github.io/vocalize-it/> 

MyLibrary

Book Management Web App

- A client-side application for managing personal book collections, demonstrating DOM manipulation, object-oriented programming, and local storage persistence.
- **Technologies:** HTML, CSS, JavaScript (ES6), Web Storage API
- **Live Demo:** <https://rommjames.github.io/my-library/> 

Admin Dashboard

Responsive Web Application

- A modern admin panel interface demonstrating responsive layout design, component structuring, and dynamic UI behavior using Grid and Flexbox.
- **Technologies:** HTML, CSS (Grid & Flexbox), JavaScript, PHP
- **Live Demo:** <https://rommjames.github.io/admin-dashboard/> 

EDUCATION

CIIT College of Innovation and Integrated Technology

Bachelor of Science in Computer Science (Specialization: AI & Cloud Computing)

- **GPA:** 3.70/4.00, Dean's List
- **Relevant Coursework:** Computer Programming (Java, C++, C#, Python), Architecture and Organization, 3D Modeling, Information Management, Technical Communication

Aug, 2025 – Present
Kamuning, Pasig City

MFI Polytechnic Institute

Diploma in Information Technology

- Graduated with **Academic Excellence**
- **Grade:** 1.5 (94% - 97%)
- **Concentration:** Software Development and Systems Administration
- **Relevant Coursework:** Web Development (HTML, CSS, PHP, JavaScript), Android Development, Database Management Systems, System Analysis & Design, Windows Server Administration, IT Essentials, Desktop App Development (VB.NET)
- Won **Gold Medal** in TESDA PaMaMariSan District Skills Competition and TESDA NCR Regional Skills Competition, while **Bronze Medal** in WorldSkills Philippine National Skills Competition under Web Technology Skills Area.

Aug, 2020 – Sep, 2022
Ortigas, Pasig City

AWARDS

Academic Excellence <i>MFI polytechnic Institute</i> Awarded Academic Excellence for consistently achieving outstanding academic performance in the Dual Training System in Information Technology	08/2023
Bronze Awardee - Philippine National Skills Competition 2024 <i>WorldSkills Philippines</i> For active participation and outstanding achievement as EXPERT at the 2024 Philippine National Skills Competition under Web Technologies	02/09/2024
Gold Awardee - Regional Skills Competition 2023 <i>Tesda NCR</i> For active participation and outstanding achievement as EXPERT at the 2023 Regional Skills Competition under Web Technologies	20/12/2023
Gold Awardee - Regional Skills Competition 2022 <i>TESDA NCR</i> For active participation and outstanding achievement as EXPERT at the 2022 Regional Skills Competition under Web Technologies	09/09/2022
Gold Awardee - District Skills Competition 2022 <i>TESDA PaMaMariSan District Office</i> For active participation and outstanding achievement as EXPERT at the 2022 District Skills Competition under Web Technologies	04/07/2022
Gold Medalist - Regional Skills Competition 2021 <i>TESDA NCR</i> For outstanding achievement as COMPETITOR at the 2021 Regional Skills Competition under Web Technologies	12/11/2021
Gold Medalist - District Skills Competition 2021 <i>TESDA PaMaMariSan District Office</i> For outstanding achievement as COMPETITOR at the 2021 PaMaMariSan District Skills Competition under Web Technologies	19/10/2021
Bronze Medalist - Philippine National Skills Competition 2021 <i>WorldSkills Philippines</i> For outstanding achievement as COMPETITOR at the 2021 Philippine National Skills Competition under Web Technologies	16/12/2021

CERTIFICATES

Certificate of Appreciation

Awarded recognition by WorldSkills Philippines as a Coach in Web Technologies for participation in the **14th WorldSkills ASEAN Competition**.

Certificate of Appreciation

This certificate of appreciation is given to an individual for dedicating your time, exerting extra efforts, and imparting your knowledge in **facilitating** the Computer Systems Servicing NCII Joint Delivery Voucher Program. We highly appreciate your hard work and commitment for the successful implementation of this program.

Certificate of Completion

For successfully completing a free online course **ORACLE SQL** in Great Learning Activity

Certificate of Attendance

Attended the **2-day** training and workshop entitled "**Faculty Orientation and Training Workshop**" on August 23-24, 2022 at MFI Polytechnic Institute, Inc.

Certificate of Attendance

This certificate is awarded in recognition of their successful completion of the Introduction to AI-Understanding the Basics webinar held on August 17, 2024, facilitated by VAME Phils.

Statement of Achievement

has successfully achieved student level credential for completing the **Python Essentials 1** course, provided by Cisco Networking Academy

TESDA National Certificate II - Computer Systems Servicing

For having completed the competency requirements under the Philippine TVET Competency Assessment and Certification System

Certificate of Attendance

has attended the **International Youth Foundation's Passport to Success** life skills Training of Trainers Workshop

Certificate of Completion

For having successfully competed the program in **TRAINERS METHODOLOGY LEVEL I** with 264 hours conducted from 26 February 2024 to 11 May 2024

Statement of Achievement

has successfully achieved student level credential for completing the **English for IT 1** course, provided by Cisco Networking Academy in collaboration with Open EDG

Certificate of Accomplishment

The bearer of this has passed the **HackerRank** skill certification test for **CASCADING STYLESHEETS**

Certificate of Course Completion

has successfully achieved student level credential for completing the **Introduction to Cybersecurity** course.

NDC Linux Unhatched Course

Focus on the basic Linux System Administration Skills

Certificate of Appreciation

Invaluable contribution as **PROJECT FACILITATOR** of the Information Technology (Web Development) Skills Competition during the 50th Founding Anniversary of MFI Polytechnic Institute Inc.

Certificate of Completion

Undergone 1440 hours **On-the-Job Training** with **MFI Polytechnic Institute Inc.** (formerly Meralco Foundation, Inc.) from 01 October 2021 to 10 September 2022

Certificate of Participation

participated in the CIC Academy Course III in partnership with the National Privacy Commission (NPC), **#DatosMoProtektado: Protecting your data privacy and your credit standing**

Certificate of Completion

has successfully completed the course in **FUNDAMENTAL OF STATISTICS WITH MICROSOFT EXCEL** a course of study program offered by Data Analytics Philippines

Certificate of Course Completion

has successfully achieved student level credential for completing the **Introduction to Data Science** course.
